OCCUPATIONAL HEALTH & SAFETY POLICY

Obligations

Tasweld is firmly committed to a policy enabling all work activities to be carried out safely, and with all possible measures taken to remove (or at least reduce) risks to the health, safety and welfare of workers, contractors, authorised visitors, and anyone else who may be affected by our operations.

Tasweld are committed to ensuring compliance with the Work Health and Safety Act 2012, the Work Health and Safety Regulations 2012 and applicable Codes of Practice and Australian Standards as far as possible.

Responsibilities

Management will provide and maintain as far as possible:

- a safe working environment
- safe systems of work
- plant and equipment well maintained and in safe working condition
- facilities for the welfare of workers
- information, instruction, training and supervision that is reasonably necessary to ensure that each worker is safe from injury and risks to health
- a commitment to consult and co-operate with workers in all matters relating to health and safety in the workplace
- a commitment to continually improve performance through effective safety management

Each worker has an obligation to:

- comply with safe work practices, with the intent of avoiding injury to themselves and others and damage to plant and equipment
- take reasonable care of the health and safety of themselves and others
- wear personal protective equipment and clothing where necessary (refer Tasweld PPE Policy)
- comply with any direction given by management for health and safety
- report all workplace accidents, incidents and hazards to their supervisor or manager (managers to complete Accident Hazard Report Form where relevant)

Application of this policy

Tasweld seek the co-operation of all workers, customers and other persons and encourage suggestions for realising our health and safety objectives to create a safe working environment with a zero accident rate.

This policy applies to all business operations and functions, including those situations where workers are required to work off-site.

Tasweld is a Non Smoking environment across all sites and branches
